

**Below is how to locate the Wyndham Grand Loading Dock.**

- To arrive to the loading dock it is located on Fort Duquesne Boulevard. See Map Below.
- You will drive past the entrance of the hotel which is located 600 Commonwealth place.
- Come to a stop sign.
- Turn right at stop sign on Ft. Duquesne Boulevard.
- Note the map; just past Gateway Condo's there is a Driveway/Entrance to Gateway parking garage and the Hotel Loading Dock.

**The largest vehicle that can come down the ramp and enter underground where the Gateway parking garage and Wyndham Loading dock is located is a 10' box truck. All vehicles larger than that size will have to unload from the street.**

**The below picture is taken from the bottom of the ramp and is facing up towards the street so you can view the ramp/driveway coming underground.**

**Please be mindful not block the ramp. As there are 2 active parking garages with vehicles coming in and out.**
